

EMIRATES INNOVATE SOLUTIONS

[www.eis-gcc.com](http://www.eis-gcc.com)

# OUR MISSION

At EIS, our mission is to deliver cutting-edge mechanical and electrical solutions that enhance efficiency and sustainability for our clients. We aim to be a leading provider of innovative technology, specializing in Energy Automation, IoT, Smart Education, and AV & ICT solutions. Committed to excellence, we empower businesses, educational institutions, and communities with transformative technologies that drive efficiency and sustainability.

# OUR VISION

At EIS, we strive to transform industries and educational institutions with advanced technology solutions. Our vision is a future where Energy Automation, IoT, Smart Education, and AV & IT solutions converge to create sustainable and efficient environments. We aim to be globally recognized for our quality, innovation, and customer focus, setting industry standards through continuous improvement and strategic growth.

# CERTIFICATIONS

# WHAT WE DO

**Audio - Visual ICT Solution**

**Digital Media Creation**

**Home Cinemas**

**Automation & Security**

**IT & Networking**

**Electrical Solutions**

**Flow Control Systems**

**Comprehensive Solution**

# AUDIO - VISUAL ICT SOLUTION

- ★ **Video Conferencing Systems**
- ★ **Digital Signages**
- ★ **Professional Audio Systems**
- ★ **Theatre & Stage AV Solutions**
- ★ **ICT Solutions**
- ★ **BGM & PA System**
- ★ **Outdoor Music System & Indoor Music System**

# VIDEO CONFERENCING SYSTEM

Includes hardware and software for remote communication

Camera

Microphone

Display

Software

AUDIO - VISUAL ICT SOLUTION

# DIGITAL SIGNAGES

Solutions for dynamic display content in public spaces, including LED walls, LCD displays, and interactive kiosks

# PROFESSIONAL AUDIO SYSTEMS

Encompasses speakers, amplifiers, mixers, and other audio equipment for public address systems, events, and broadcasting

# THEATRE & STAGE AV SOLUTIONS

Specialized lighting, sound, and video equipment for live performances and events.

# ICT SOLUTION

Network setup, unified communications, data management, cybersecurity, server virtualization, ERP systems, IT support, and cloud services. Streamlined and secure technology for your business

## BGM & PA AUDIO SYSTEMS

Effective audio systems for background music (BGM) and public address (PA), ensuring clear sound distribution and enhancing the atmosphere in any setting

# OUTDOOR & INDOOR AUDIO SYSTEM

Versatile audio solutions designed for crystal-clear sound delivery, whether indoors or outdoors, enhancing the experience in any setting

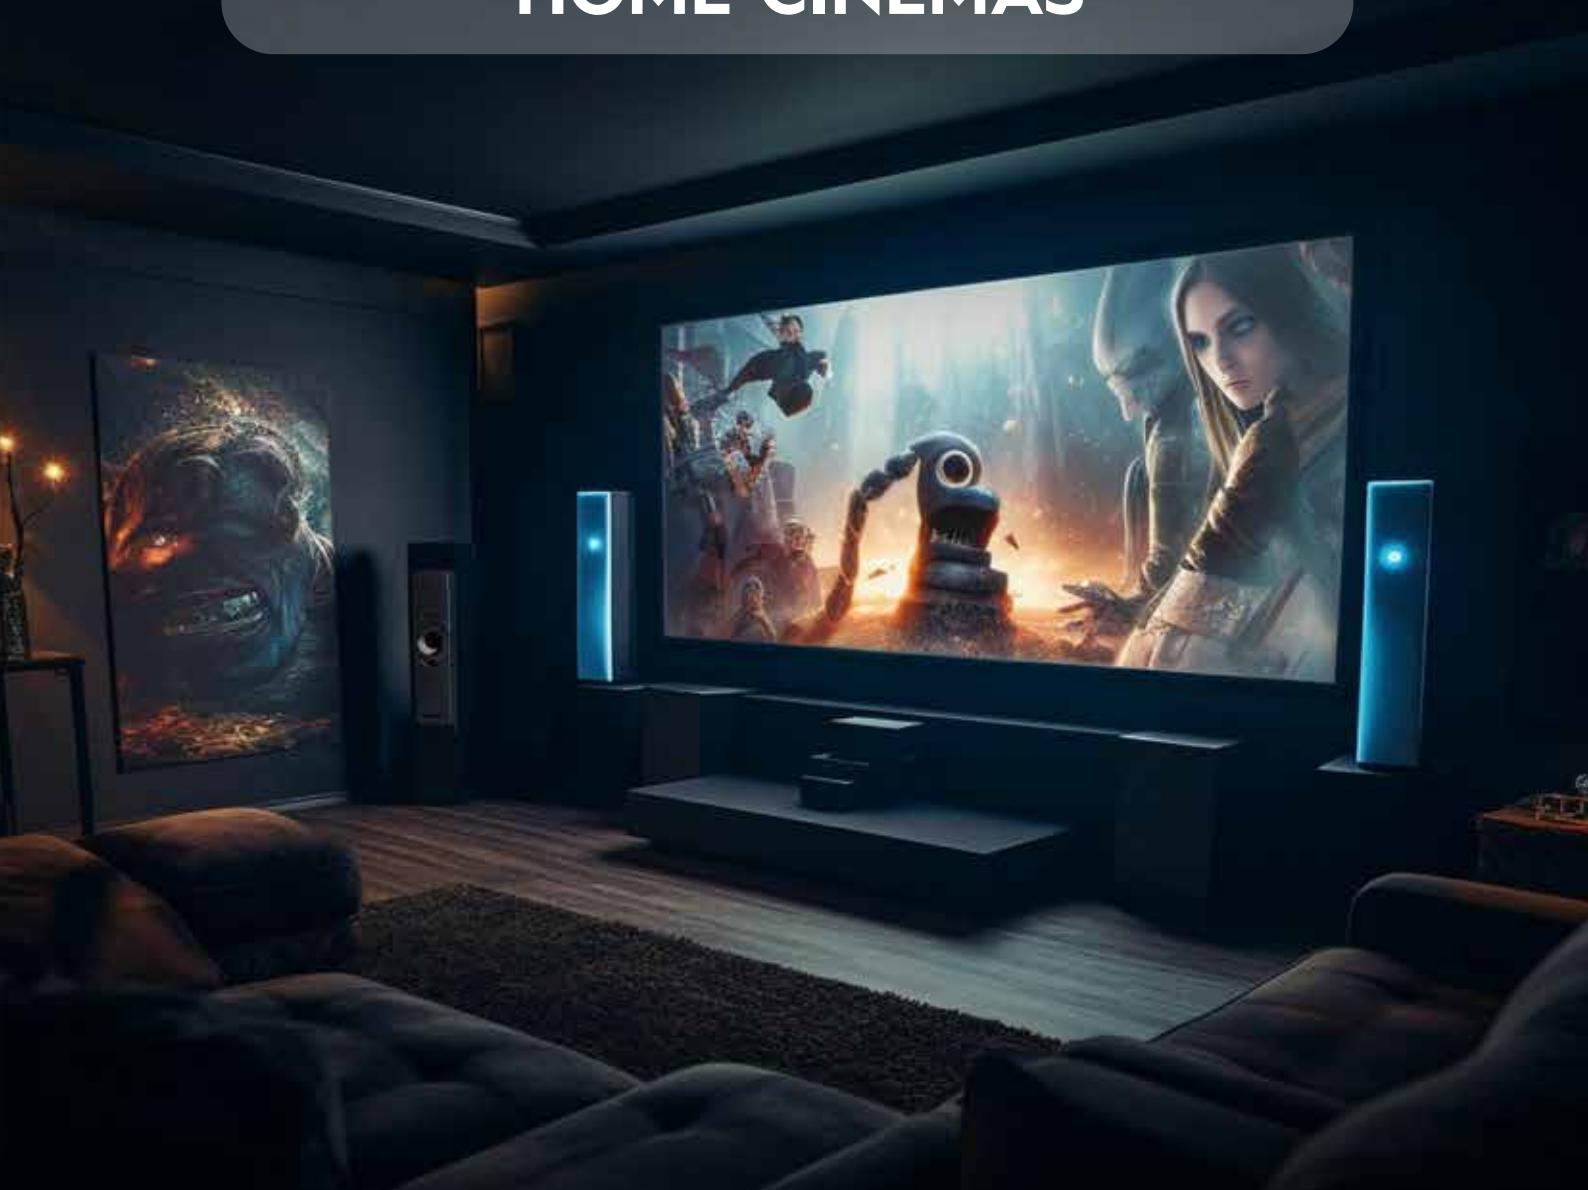

# DIGITAL MEDIA CREATION

- ❖ **Blends Creativity and Technology**
- ❖ **Captivating Visuals**
- ❖ **Immersive Soundscapes**
- ❖ **Innovative 3D Anamorphic Content**
- ❖ **Commitment to Excellence**
- ❖ **Digital Transformation**

# HOME CINEMAS

- ❖ **Custom Design & Installation**
- ❖ **Cinematic Experience**
- ❖ **Cutting Edge Technology**
- ❖ **Attention to Detail**
- ❖ **Extraordinary Entertainment Experience**

# AUTOMATION & SECURITY

- ★ Automation
- ★ OT Security - Services
  - OT Assessment
- ★ OT Security - Product

# AUTOMATION

- ❖ **Open Source ON Premises Scada Solution with zero cost**
- ❖ **Industrial 4.0**
- ❖ **Power Quality Analysis**
- ❖ **IOT**
- ❖ **Energy Monitoring System**
- ❖ **Digital Transformation**

# OT SECURITY SERVICES

## OT ASSESSMENT

Secure the digital transformation of your business with our OT Security Assessments. We help evaluate your security posture and provide actionable recommendations across people, processes, and technology. This security assessment strictly aligns with the IEC-62443 series of standards.

# OT SECURITY SERVICES PRODUCT

## Cutting Edge Solution for Observability in Industrial Automation

**OT - Observability Platform to monitor your critical  
OT asset and backbone infrastructure.**

The solution takes data from multiple end points and aggregate the information in central portal. We use completely vendor agnostic products Grafana for visualization. It is a completely web-based solution architecture

## IT & NETWORKING

- ❖ **Managed IT Services**
- ❖ **Computer Network & Infrastructure Installation**
- ❖ **Hardware installations and maintenance**
- ❖ **Network Security**
- ❖ **Software development**
- ❖ **Software as a service**
- ❖ **Troubleshooting and technical support**

# ELECTRICAL SOLUTIONS

## EV CHARGING

With the growing popularity of electric vehicles, EIS is committed to offering reliable EV charging solutions. Our stations deliver fast, efficient charging for commercial spaces, public areas, and residential communities, supporting the shift towards clean, sustainable transportation.

## SOLAR SOLUTION

As solar energy drives the shift toward renewables, EIS provides efficient and reliable solutions. From homes to industrial projects, our systems optimize energy use and support a greener future.

# LV SWITCHGEAR & CONTROLGEAR SOLUTIONS

- ❖ **MANUFACTURING STANDARD:** IEC 61439-1 & 2: 2020  
Edition 3, IEC 61921:2017
- ❖ **AUTHORITY STANDARDS:** ADDC, AADC, DEWA,  
SEWA & FEWA
- ❖ **CURRENT RATING:** Up to 2500A
- ❖ **kA Rating:** 36kA, 50kA & 65kA
- ❖ **INDEX OF PROTECTION:** IP31, IP41, IP54 & IP65
- ❖ **FORMS OF SEPARATION:** Form2b, Form3b & Form4b Type6
- ❖ **MOUNTING:** Floor mounting type & Wall mounting type
- ❖ **CABLE ENTRY:** Top & Bottom with Front or Rear Access  
(Up on client requirement)
- ❖ **ENCLOSURES:**  
Electrogalvanized sheet steel,  
Glass reinforced  
polyester (GRP), Single Wall Aluminium & Double wall  
Aluminium
- ❖ **AMBIENT TEMPERATURE:** 50°C

# PRODUCTS

- ❖ **MAIN DISTRIBUTION BOARD**
- ❖ **SUB MAIN DISTRIBUTION BOARD**
- ❖ **FINAL DISTRIBUTION BOARD**
- ❖ **CAPACITOR BANK**
- ❖ **SOURCE CHANGEOVER SYSTEM (MANUAL / AUTO)**
- ❖ **MOTOR CONTROL CENTER**
- ❖ **CONVENTIONAL CONTROL PANEL**
- ❖ **PLC OPERATED CONTROL PANEL**

# FLOW CONTROL

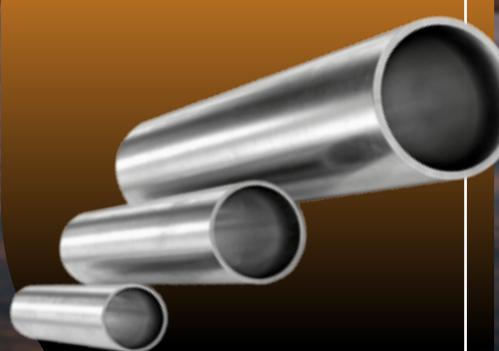

VALVES

ACTUATORS

We supply premium valves and actuators for efficient flow control in the oil, gas, and industrial sectors

# COMPREHENSIVE SOLUTION

## PIPES & TUBES

## FLANGES

## PIPE FITTING

## BOLTINGS

Offering a complete range of pipes, flanges, fittings, and bolting materials, we deliver durable solutions for reliable performance across industries

# PROJECTS

01

### **ADNOC HQ Walkway ( 54M Long) Audio-visual System-Design, Supply, Installation & Maintenance**

**JULY 2024 - OCTOBER 2024**

Custom P1.2 COB LED Display -54 Meter \* 1.35 Meter, structure, Audio System Integration etc.

02

### **Implementation of AV system in ADNOC Al Dhannah City Auditorium and MPH**

**JULY 2024 - SEPTEMBER 2024 (ONGOING)**

Design, Supply, Installation and Maintenance of complete AV System at Al Dhannah Auditorium and Multipurpose Hall.

03

### **ADNOC Innovation Centre project - Supply, Installation, Maintenance of AV system**

**AUGUST 2024 TO NOVEMBER 2024**

AV system Supply and integration, LED wall and other system integration, support and maintenance in Digital Hub Area, Agile Workstation, Peripherals, 5 Year Post Installation Warranty & Support

04

### Alwasl Stadium Outdoor Score board LED – Supply, Installation & Maintenance

**JUNE 2024 - AUGUST 2024**

P6.67 Outdoor LED Display- 40 Sq. Meter with unipole structure  
Supply, Installation & Commissioning of customized score board software

ابوظبی ایسٹمنیتیو سکول  
ABU DHABI INVESTMENT COUNCIL

05

### Abu Dhabi Investment Council -Energy Management System Field Hardware Replacement Service

**JULY 2024 - SEPTEMBER 2024 (ONGOING)**

Design, Supply, Installation and Maintenance of complete AV System at Al Dhannah Auditorium and Multipurpose Hall.
